Mother, you are a part of me that is missing. A part that was taken away. Now I've finally realized, you've been with me all the way. I wish you could be here to see me graduate. I miss you!

Dad, Thank you for always being here for me. I couldn't have made it without you.

To all the marketing girls: HC, MS, SS, BF, SJ, I'm gonna miss all the fun we had and all the sick talks. MS, I'm glad we've become friends and don't forget lifting weights together. We had fun AH. Thanks for being here for me whenever I needed to talk. Your friendship means a lot to me and someday I'll take your advice and smarten' up, it's my loss. Flo the Ho got an afro. Your an awesome friend and no matter what we'll be hangin' forever.

Mike, thank you for helping me make the right choice, you were always right, I love you, and the best for last, My best friend Jana - No matter what happens you'll always be my forever friend, I'll never forget you. Don't forget the "88-89" hockey game. I love ya! Special thanks to Mrs. Sullivan and Mrs. Flibotte.
